# **Military & Defence Exhibition**

**14-16 April 2014**

**Tripoli - Libya**

## Why Exhibit?

The main goal of the event is for the companies to meet with government officials and buyers, invitations will be sent also to foreign government officials.

What's interesting for companies is that this is a unique chance for them to establish a foothold in Libya, as its location is perfect to cover North Africa as well as a gateway to Europe.

## Exhibitor Profile:

Manufacturers of land, sea, air and defense technology equipment and weapon systems, missiles, tanks, guided weapons technology, vehicles, transports and vessels, satellite, telecom and electronic defense equipment. Manufacturers of fire control systems and launchers and other relevant military and internal security technology systems and hardware.

## Visitor Profile:

The exhibition is opened to public but it is mainly for professionals. Main visitors will be government officials from Ministry of Defense to military high ranking officials in the Army, Navy and Airforce. Invitations will be also sent to foreign government officials and military representatives, as well as Chiefs of staff and Chiefs of Police, Customs, Coast Guards and private security organisations.
