

## **Provisional list of National Competent Authorities (NCAs) for the Carbon Border Adjustment Mechanism**

**As of 10 December 2024**

The implementation of the Carbon Border Adjustment Mechanism (CBAM) requires the involvement of the National Competent Authorities (NCAs) of the 27 EU Member States as from 1 October 2023, in accordance with Article 11 of the Regulation (EU) 2023/956 of the European Parliament and of the Council of 10 May 2023 establishing a CBAM.

NCAs are responsible for granting reporting declarants established in their Member State access to the CBAM Transitional Registry.

The CBAM Transitional Registry has been developed by the Commission to help reporting declarants report as part of their CBAM obligations. It is accessible to reporting declarants here: <https://cbam.ec.europa.eu/declarant>. It has been operational since 1 January 2024 for reporting declarants to start submitting their first CBAM report.

This provisional list of NCAs is also made available in the CBAM Transitional Registry. The Commission will continue regularly updating it and publish the final list of NCAs in the Official Journal of the EU.

Member State	National Competent Authority
