Halil İbrahim Karataş Commercial Counsellor Embassy of the Republic of Türkiye 197 Wurtemburg Street Ottawa, ON K1N 8L9

February 6, 2025

Dear Halil İbrahim Karataş,

On September 9, 2024, the Canadian International Trade Tribunal (CITT), pursuant to subsection 76.03(1) of the *Special Import Measures Act* (SIMA), initiated an expiry review of its order made on October 16, 2019, in Expiry Review No. RR-2018-006, concerning the dumping of hollow structural sections originating in or exported from South Korea and Türkiye.

As a result, on September 10, 2024, the Canada Border Services Agency (CBSA) initiated an expiry review investigation to determine whether the expiry of the order is likely to result in the continuation or resumption of dumping of the subject goods.

The investigation has now been completed and today, pursuant to paragraph 76.03(7)(a) of SIMA, the CBSA has determined that the expiry of the order is likely to result in the continuation or resumption of dumping of such goods originating in or exported from South Korea and Türkiye.

A *Statement of Reasons* that contains additional details concerning the determination made by the CBSA, will be issued within 15 days and posted on its website at: www.cbsa-asfc.gc.ca/sima-lmsi/er-rre/menu-eng.html.

Any person directly affected by the determination may make an application to the Federal Court of Appeal, pursuant to section 96.1 of SIMA, to review the CBSA's determination. The term "persons directly affected" includes Canadian producers, exporters, and importers of the subject goods. The grounds for requesting a judicial review are outlined in the attached **Appendix**.

The CITT will now conduct an inquiry to determine whether the expiry of its order is likely to result in injury to the Canadian industry, and will issue its decision no later than July 16, 2025. Anti-dumping duties will continue to be applicable on the subject goods until that date.

.../2

The CITT will conduct its inquiry in the manner set forth in the *Notice of Expiry Review of the Order* concerning hollow structural sections, as previously provided to interested persons. A copy of this notice and the schedule of the inquiry are also available on the CITT's website at: www.citt-tcce.gc.ca/en.

If the CITT determines that the expiry of the order is not likely to cause injury, the order will be rescinded. If the CITT determines that the expiry of the order is likely to cause injury, it will continue the order with or without amendment.

Questions concerning the CITT's future actions should be directed to the CITT, at the following address:
