Subject : Proposal for Exhibition Participation and Sponsorship:
INVIROTECH 2026

To:

H.E. Mr. Prof. Dr. Talip Kucukcan

Ambassador of Turkiye to Republic of Indonesia

Your Excellency,

The Ministry of Environment of the Republic of Indonesia presents its compliments to the Embassy of Turkiye in Jakarta.

With reference to the official Letter of the Ministry of Environment No. B.22/C/PLB.1.1/2/2026 regarding the organization of World Environment Day 2026, the Government of Indonesia is honored to host the **“Indonesia Environmental Technology and Innovation Expo & Conference” (INVIROTECH 2026)**

Indonesia recognizes the Turkiye as a global pioneer and an indispensable partner in the green industrial revolution. Our invitation to the Turkiye delegation is driven by our commitment to achieving the vision of Indonesia ASRI (Aman, Resik, Sehat, Indah — *Safe, Clean, Healthy, and Beautiful*) through sustainable technological innovation.

We kindly request the Embassy’s esteemed support in promoting this event to relevant industrial sectors and enterprises within Turkiye. Given Turkiye's leadership in green technology, we highly encourage the Embassy to facilitate and lead a high-level corporate delegation to participate as exhibitors. We believe that a robust presence of Turkiye enterprises will create a powerful platform for long-term industrial synergy.

In recognition of this profound bilateral relationship and as a gesture of our commitment to a deeper strategic partnership, the Ministry of Environment is honored to provide the Embassy of Turkiye with a complimentary booth as below details:

1. Standard Booth of 3m x 6m in a strategic location, including the following facilities:
 - a. Standard Shell Scheme Booth (wall panels)
 - b. 2 (two) Tables
 - c. 4 (four) Chairs
 - d. Fascia board (company name display)
 - e. (4 (four) Fluorescent lamps (TL lamps)
 - f. 4A power supply

Following Turkiye's global leadership as key market of Green Technology, we are pleased to submit this proposal for the participation of the private enterprises, and industry associations. We are offering a strategic platform for Turkiye's private sector to showcase large-scale sustainable solutions through the following participation packages:
