SUBJECT: Less-Than-Fair-Value Investigation of Aluminum Extrusions from the
Republic of Türkiye – Deadline for Ministerial Error Comments

On September 27, 2024, the U.S. Department of Commerce announced the results in the final determination of the Less-Than-Fair-Value Investigation of Aluminum Extrusions from the Republic of Türkiye. All the relevant calculations pertaining to the final determination have now been released to all interested parties subject to an administrative protective order through Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). All parties will have five calendar days from the date of this letter to review these materials and provide comments on any ministerial errors found in our calculations, in accordance with 19 CFR 351.224(c)(2). Accordingly, comments must be submitted in writing to Commerce **no later than 5:00 p.m. Eastern on October 7, 2024.**

Pursuant to 19 CFR 351.224(c)(3), the deadline for filing rebuttal comments to any ministerial error comments is no later than **5:00 p.m. EST on October 11, 2024.**

Under 19 CFR 351.224(f), ministerial error means an error in addition, subtraction, or other arithmetic function, clerical error resulting from inaccurate copying, duplication, or the like, and any other similar type of unintentional error which the Secretary considers ministerial. Allegations with regard to methodology applied in a decision or calculation are not considered ministerial in nature.
