

CENTRE ISLAMIQUE POUR LE DÉVELOPPEMENT DU COMMERCE

O/Ref: 97/2026
DM-AA/SA

Casablanca,

The Islamic Centre for Development of Trade (ICDT) presents its compliments to the Trade Promotion Organ, Investment Promotion Agencies, Chambers of Commerce and Federations and professional associations of the OIC Member States, and has the honour to inform them that in framework of its efforts to strengthen economic cooperation among OIC Member States in the field of healthcare and medical equipment, the Centre is organizing, in partnership with the Islamic Development Bank (IsDB) and the World Health Organization (WHO), and under the auspices of the Ministry of Health of the Islamic Republic of Mauritania, the **Regional Investment Forum on the Health Sector**, on 13th and 14th July 2026, at the Palais des Congrès, Nouakchott – Islamic Republic of Mauritania.

Held under the theme "**Strengthening Intra-OIC Trade and Investment in the Pharmaceutical Sector: From Strategy to Action**", this Forum aims to stimulate investment and trade in the pharmaceutical industry and medical equipment sectors within OIC countries, as well as to consolidate the positioning of African countries in the trade of pharmaceutical products and health-related services.

The event will bring together the key stakeholders of the healthcare ecosystem from Member States (pharmaceutical industry, service providers, nutrition professionals, medical equipment suppliers, and medical training institutions, etc.) to explore new business opportunities and forge lasting strategic partnerships.

It will also serve as a privileged forum for sharing expertise, showcasing the market potential of Member States, and strengthening value chains in this sector.

On the sidelines of this Forum, the following activities will be organized:

- High-level ministerial sessions on the regulatory framework and investment opportunities in OIC countries;
- Public-private dialogue on strengthening investment, industrial partnerships, and pharmaceutical value chains;
- Exhibition of pharmaceutical products, medical equipment, and health innovations;
- B2B and B2G meetings.

On this occasion, ICDT is pleased to invite the Trade Promotion Organs, Investment Promotion Agencies, Chambers of Commerce and Federations and professional associations of the OIC Member States to kindly take the necessary steps to ensure their countries' participation in this Forum and to relay this information among the stakeholders and economic operators.

To register, participants are kindly requested to consult the following link:
