B2B MEETING

OVERVIEW

The annual Import Goods Fair (IGF hereafter) is a flagship project organized by Korea Importers Association (KOIMA hereafter) since 2004. Between June 23–25, 2022, KOIMA has successfully hosted **The Import Goods Fair 2022** (IGF 2022 henceforth). IGF 2022 marks the 19th anniversary of this annual event. **91 exhibitors**, including **57 embassies**, from **61 countries**, comprised of Korean importers, foreign exporters, the foreign Embassies in Korea, and other partner organizations participated, occupying in **121 booths**.

As a trade organization that focuses on import, KOIMA has proudly organized **7 Seminars** on trade policy and business strategy, along with **184 B2B Meetings**, both online and offline. B2B has been the buzzword throughout KOIMA's preparation of the IGF 2022. From the onset, KOIMA spared no effort in making sure this event rightfully serves the interest of businesses across the world. **The Import Goods Fair 2023** is scheduled to take place **from June 29th 2023 to July 1st 2023** at **COEX, Hall C1 & C2**, Seoul, Korea.

GOALS

The annual Import Goods Fair aims to achieve mainly three things.

① Intermediating B2B Meetings

B2B Meeting is at the heart of KOIMA's mission. For businesses unfamiliar with the Korean market, matching up with the right business partner is at the crux of making their way to the Korean market successfully. Korean businesses are as interested and eager to importing competitive commodities from outside of Korea. They always eye on new products that are like to fare well in the country. B2B Meeting may not be an end of itself, but an important steppingstone to achieving mutual benefit.

② Consolidating Global Network

B2B Meeting is likely be in void until and unless supported by the Embassies and Trade Representatives in Korea. For the IGF 2022, we were delighted to have **61 countries** represented at the Fair, not to mention **57 Ambassadors** at the opening ceremony of the event. The IGF Secretariat is looking forward to increasing that numbers. Going forward, any embassies or trade missions in Korea unrepresented in our previous events are more than welcomed to take part in KOIMA's future events, the IGF in particular.

VIP Luncheon

③ Attracting Prospective Consumers

It is almost indisputable that consumers, in the end, are the real VIPs to our event. Neither intermediating B2B meetings nor consolidating KOIMA's global network is more important than attracting visitors who are highly likely to become the consumers of showcased commodities.

The IGF Secretariat understand and acknowledges that visitor attraction was an area that it unfortunately fell short of at the IGF 2022. We highlight that this was in big part due to the lingering aftermath of the COVID-19. While the IGF 2022 was designed to mark a fresh and vigorous rebound back to business, garnering the interest of ordinary consumers still had a long way to go.

However, we also reiterate that this will be an area that the Secretariat plans to make an improvement on in times to come. This will include allocating more budget on social media marketing, advertising the event more proactively using the Association's social media accounts (Facebook, Instagram, YouTube, etc.), increasing media presence, and numerous other efforts, as necessary. This, however, cannot be done by KOIMA alone. Only through coordinated efforts with the Embassies in Korea and other partner organizations can KOIMA make a substantial difference.

VISITORS

EXHIBITORS

EXHIBITORS AND BOOTHS

The exact list of exhibitors vary from year to year. While many companies directly file their application, some businesses partake in collaboration with participating Embassies or trade representatives in Korea. The list of exhibitors from the IGF 2022 is as follows.

**KOIMA-BNI
MOU Signing Ceremony**

Seminars & Events

Seminars & Events make up no small part of the annual IGF. For the IGF 2022, KOIMA was delighted to sign a MOU (Memorandum of Understanding) with BNI (Bank Negara Indonesia) out of an effort to uncover areas for inter-organizational cooperation and to solidify our partnership going forward. KOIMA was also honored to have Her Excellency Maria Castillo Fernandez, the EU Ambassador to Korea, as the first lecturer of the IGF 2022 business lecture series. The lecture schedule for the IGF 2022 is as follows.

Date	Time	Topic
June 23 rd	14:00 - 14:40	EU DUE Diligence Governance
	15:00 – 15:50	Trade Policy & Import Database
	16:00 – 16:40	Quarantine, Tariff, Customs Clearance
June 24 th	11:00 – 11:40	Management Foreign Exchange Risk for SMEs
	14:00 – 14:40	Dealing with Fraud in Alibaba

■ Closing

As the Secretariat prepared for the event, we learned that many businesses and Embassies that were not present at the IGF 2022 were also very akin to taking part in next year's Import Goods Fair. We also learned that despite many challenges were in the way during the preparation of this event, we figured many exhibitors still wanted to come back next year in the hopes of meeting more partners, potential consumers, and affiliates from the Embassies who are poised to give hand for companies in search for information and assistance.

KOIMA is no exception. KOIMA, backed with generous sponsorship from the Ministry of Trade, Industry, and Energy, has proudly hosted total of 19 annual Import Goods Fair to date. KOIMA also plans to make next year's IGF fruitful. We call for your interest, support, and commitment to making this event no merely a museum of commodities but a marketplace for mutual benefit. We reiterate that the IGF 2023 is scheduled to take place **from June 29th 2023 to July 1st 2023 a.t COEX, Hall C1 & C2**. Please mark your calendar and see you there.
